

Poznań, 05.07.2010

Press Release

**\*\*\*\* IBB Andersia Hotel won the award in the competition Highest Quality International 2010 in the category of QI SERVICES - services of the highest quality.**

On July 1, 2010 competition Highest Quality International 2010 organized by the Business Forum was decided. \*\*\*\* IBB Andersia Hotel, as the only hotel, was among the companies awarded, receiving a silver emblem 2010 in the category QI Services - Services High Quality.

Formal presentation of awards and trophies will be held on October 8, 2010 in Warsaw.

Commission represented by representatives of the Ministry of Regional Development, Polish Agency for Enterprise Development, Polish Forum ISO 9000 and the representatives of the editor of Business Forum appreciated and rewarded the efforts involved in promoting the idea of quality.

"This is a great honor for us. Offering the highest quality service for each hotel is a priority and for the IBB Andersia Hotel is the most important element of the mission. I am happy to that the business community appreciated the quality of our services and thus confirmed our employees contribute to the success of the hotel," says Marcin Wozniak, Director of the Hotel.

IBB Andersia Hotel opened in 2007 in the segment of the business and conference hotels is increasingly winning the prizes awarded not only by the organizations, but also by guests in Poland and abroad. In 2009, the hotel has been chosen winner in the contest TOPHOTEL in the category TOPHOTEL Service, organized by the portal hotele.pl and its customers. For last two years, hotel has been awarded by Insiders' Select as a hotel belonging to the 1% best hotels offered by Expedia website in the world.

IBB Andersia Hotel is a modern hotel in the city center, which offers over 170 rooms, conference and banqueting facilities and a wellness and beauty treatments at Harmonia Spa. The hotel puts attention to detail and high quality services, with particular emphasis on the individual needs of guests.

About IBB Hotels:

\*\*\*\* IBB Andersia Hotel is the most important and largest project of IBB Hotels in Poland. Among the hotels managed by the Spanish group is also IBB Grand Hotel Lublinianka in Lublin, furthermore the Spaniards also are planning new projects in Poland. The first of them will be four-star hotel de luxe in Gdansk Long Market, which is scheduled to open in 2011.

The Spanish chain IBB Hotels currently manage seven facilities in Poland, Germany and Spain. The newest hotel run by a group of IBB Hotels is the Grand Hotel Roemerbad in Badenweiler in the spa town in the south of Germany. Further investments in the country are planned for the years 2010/2011.
